MINUTES

Tiff thanked the council members for attending and for completing this week's school council task.

Oakhill has a new school councillor, Deacon W, who is excited to take on his new role.

Tiff presented each class's preferred activities to do on an evening, as above. College had some issues adding their votes onto Seesaw as suggestions were saved within pupil folders, which Tiff cannot access. TG1 had 1 vote to attend clubs, 2 votes for spending time with a PA, 4 votes for spending time on their phones and 2 votes for watching TV.

Tiff asked the council what kind of clubs they currently attend afterschool and any clubs that they may be interested in attending in the future. Sophie M currently attends kickboxing sessions each week and she enjoys her time spent there. Suggestions of future clubs to attend included; kickboxing, football, swimming, and Ozone.

Tiff wished the council a happy halloween and bonfire night and reminded all councillors to be careful and safe when enjoying the fireworks.

SCHOOL COUNCIL TASK

Tiff suggested this could be; more equipment to use in the playground, a wider range of indoor play toys, more lunchtime clubs for children to attend. Tiff asked the council whether they would like to have access to more clubs throughout the day. The school currently runs a school Makaton choir and a dance club during lunchtimes and would like the council to discuss any other clubs that may be of interest for their class.

Councillors need to have submitted their task onto Seesaw no later than Monday 13th November.

The next school council meeting will be held on Tuesday 14th November 2023 at 14:15pm.
