MINUTES

School Council Responsibilities

Tiff explained the responsibility of the school council and how their opinions can influence decisions made by the school.

Tiff encourages all council leaders to speak with their peers and chase their teachers to upload the responses.

Youth Vote

Tiff explained the Youth Vote takes place every year, allowing young people to have a vote which will then be taken to parliament. Tiff is awaiting further details and will share this information at the next council meeting.

Last year, the police visited Greenacre school and answered questions provided by the school council. Tiff is hoping the fire service will be visiting this year!

Rachel - Asking for School Council's Help

Rachel explained a few years ago, lots of activities stopped at school because of the pandemic. She is asking the students what they would like to do, now visitors are allowed back at school and trips can be arranged.

Some of the examples she provided were visiting libraries, volunteering at a foodbank, going to the theatre or playing football. Rachel wants to offer experiences that the students would not get to do.

Tiff provided some suggestions within the local area including bowling, metro dome, Yorkshire Sculpture Park and Market Kitchen. The ideas need to suit a range of ages and may be a different set of options.

More suggestions were for visitors coming to the school, including scientists, poets, cricketers and theatre groups.

SCHOOL COUNCIL TASK

COUNCILLORS - PLEASE REMIND TEACHERS TO UPLOAD RESPONSES TO SEESAW BEFORE THE NEXT MEETING

1. Are there any places you would like to visit from school, within the local area?
2. Are there any visitors or experiences you would like to come into school?

The next school council meeting will be held on Tuesday 27th February at 14:15.
